

Unique design and driving comfort

Superior onboard living
& driving ergonomics

Step into a new dimension of comfort and style with the new IVECO X-Way, where unique design meets driver-centric ergonomics.

The refined interior offers a superior onboard living experience, featuring a modern **dashboard** with **customisable materials and trims** tailored to the driver's taste.

A high-resolution **TFT instrument cluster**, intuitive **infotainment system** and advanced **mirror cams** ensure clarity, connectivity and reduced distraction.

The carefully engineered, **car-like driving position** combines a fully **adjustable steering wheel** with a lower seat height for improved visibility, control and responsiveness.

Every detail is designed to support long-haul comfort, reduce fatigue and enhance driving pleasure, transforming daily operations into a premium, effortless experience.
